All skaters must have passed ISI Alpha or higher to skate on figure skating times.

- In anticipation of the Colorado Avalanche making the playoffs the team has tentatively booked ice time that may affect Saturday FS/FM/D times. Once we know if they make the playoffs and what their schedule will be we may have to cancel the FS/FM/D times on Saturdays. Their regular season ends on Saturday April 6th so we will have the Saturday FS/FM/D that day.
