**South Suburban's Family Sports Center Welcomes
New Youth In-House Hockey Specialist**

South Suburban Park and Recreation District has named Scott Gauerke Youth In-House Hockey Specialist at South Suburban's Family Sports Center.

Gauerke has 35 years of hockey experience. A native of Bismarck, N.D., he played Squirt-Bantam Travel and has three years of Varsity experience as a Bismarck Demon. He has eight years of coaching experience, including Head Coach of both Squirt Travel and U8 House teams.

He is excited to be part of Arapahoe Hockey League. The Arapahoe Youth Hockey Association (AYHL) is one of the premier youth hockey associations in Colorado. AYHL is based at the South Suburban Family Sports Center complex, which is also the practice facility for the two-time Stanley Cup winning Colorado Avalanche NHL team.

Gauerke is looking forward to working closely with all the In-House coaches, and will provide them with the support and tools they need to successfully coach and train our future hockey stars.

Family Sports Center is located at 6901 S. Peoria St., Centennial. For information about hockey classes, programs, leagues and public skate, visit ssprd.org.
