South Suburban Partners with Lunchbox Express to Feed Sheridan Area Youth

South Suburban's Sheridan Recreation Center is partnering with Lunchbox Express to provide free lunches to those 18 years and younger at Sheridan Community Park, Mon. – Fri., from 12 – 1 pm, now through August 2. In observance of Independence Day, Lunchbox Express will not be providing lunch on July 4. Approximately 50 people per day are taking advantage of the program.

Participants can eat lunch and then have fun hanging out in the park, or skating at the nearby skateboard park. Cool off inside at Sheridan Recreation Center. Visit the onsite Creativity Lab, work out, shoot hoops or check out Pickleball on Mon. and Wed. at 10 am. Equipment is provided. Sheridan youth can buy a three month pass to the Sheridan Recreation Center for only \$7; Sheridan adults pay only \$9.

The Food Bank of the Rockies sponsors various Lunchbox Express sites, and Sheridan Recreation Center is new this year. Lunchbox Express is a community, volunteer organization that delivers free meals to those ages 18 and under. For more information call Eddie Kanoza at 303-761-2241. Lunch is served at Sheridan Community Park, adjacent to Sheridan Recreation Center, 3325 W. Oxford Ave.
