South Suburban Remodels Gallup Tennis Courts

South Suburban's Gallup Tennis Courts were resurfaced and received new nets and net posts earlier this month. The four courts are free and available to the public on a first come, first served basis. The courts also are utilized by Heritage High School and Littleton High Schools' tennis teams for practice and to play matches. The tennis courts feature post-tension concrete surfaces with a blue and green acrylic court surface, and now include 60 ft. court lines for 12 and under junior players. There are 50 tennis courts located throughout the District; six are located indoors. South Suburban Park and Recreation District paid for the project. The tennis courts are located in Gallup Park, 6147 S. Gallup St., in Littleton.
